

PACIFIC CARGO CONTROL, INC.
Hardware Products

www.pacificcargo.com

For over two decades, Pacific Cargo Control, Inc. has continued with the basic principles and goals that have been the foundation of our growth:

- Give every customer the best service possible.
- Supply high quality cargo restraint equipment, while maintaining competitive prices for our distributors.
- Maintain an in-depth inventory to facilitate shipments.

This catalog contains specifications and information on the most commonly used hardware cargo restraint products. If your application is specialized or you do not find the desired product in our catalog, please contact us directly. We will be pleased to evaluate your requirements.
